

Do You Need To Reboot Your Career?

Are you trying to keep one foot in your career while still keeping up with a thousand other responsibilities?

We're starting a support and educational group for people who are not currently pursuing full time employment, but want to keep their skills current so that they can quickly move into the job market. **The Reboot Group** will meet the second Thursday of each month to share ideas, abilities and encouragement.

We will also have speakers to help us learn about free and low cost methods to enhance and upgrade skills.

- **LinkedIn** and how to use social networking sites: how to work them for job leads, building recognition, etc.
- Strategies for promoting a part time business or new venture
- **Blogging**: creating as a way to establish or maintain expertise
- **Blogging**: searching and reading in order to get current in your field
- Updating your software knowledge
- Professional societies and groups that keep you in the loop
- Online instruction & degree/certification programs
- Online newsletters: finding relevant ones; producing your own
- Raising capital for entrepreneurial ventures
- Updates on the opportunities in specific career fields

Free! Plan to attend the next meeting!

**2nd Thursday of the month,
10:00 am**
